

# HARBOR EVANGELISM MONGOLIA

A church 200 miles out in the Gobi Desert

The Feeding Center at Ulaanbaatar

Bro. Tillman was kind enough to provide us with the Mongolian translation of our tract entitled, "What Is The Gospel?" He wrote: *"Your tracts will be passed out very quickly and we really do appreciate you for doing this for us. We praise God for using us together to reach the lost in Mongolia. May God continue to bless your ministry He has called you to do."*

*"Some of the children that come to our children's church every Sunday."* (far left)

*"One of our churches in the capital city, Ulaanbaatar. (near left) The girls in white are our choir."*
