NEW TRACT ON ABORTION

We are contacted quite often by people who have written their own tract and want it printed and I have always maintained that we had a sufficient number of English tracts and really did not want to add anymore. My feelings changed dramatically after watching the New York legislature applauding at the passing of their new, hideous abortion bill, and the attempt to pass one in Virginia. The Lord impressed upon my heart that there was a great need for a tract on Abortion and that our existing tract dealing with it briefly was not sufficient. In fact, I wish I had written one many years ago! We have enclosed a sample and have plenty in stock.

"I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: therefore choose life, that both thou and thy seed may live:" Deuteronomy 30:19

8 RECEIVE CHRIST THROUGH TRACTS

We are very pleased to report that we have been contacted by eight people who have received Jesus Christ as a result of reading one of our tracts: three from New Jersey, one from Florida, one in Texas, one from North Carolina, one from a NC prison and another from a IL prison. Glory to God!

Jobin Chacko with India Baptist Mission in Karala India wrote: "Thank you so much for taking time and spending money to ship gospel tracts in Malayalam language to my address. I promise you that we will use every gospel tract for evangelism in Kerala, India and will remember you in our prayers."

SWAHILI & TELUGU

We have finished updating three more of our foreign titles with the new front artwork and our new logo and address on the back: "What Is The Most Important Thing In The World?" and "Are You 100% Sure?" in Swahil (Kenya, Tanzania, Uganda) and "The Love Of God" in Telugu (India).
