## LARGE ORDER TO NEW YORK

King James Bible  
Baptist Church

Last month in our newsletter we featured Pastor Brian Kelly of King James Bible Baptist Church located in Manhattan, NY. Pastor Kelly visited us and took with him 75,000 gospel tracts in 12 different languages. He has already placed another order for an additional

100,000 tracts which will include every one of our 28 languages. He is also getting 76,000 Gospel of John & Romans booklets in different languages from our sister ministry "The Bread of Life." Please pray that God will give His Word free course and use them to see multitudes saved!

# bright light gospel ministry in india

Pastor Isaac Suvi ministers in Tamil Nadu, India, through Bright Light Gospel Ministry. Here is a short letter he wrote and some pictures from his work with Muslims: *"Dear Bethel Baptist Church members and Hope Tract Ministry. I received the box of tracts today. Praise, glory and honor to our Father God and Jesus Christ our Savior. Please pray for me and my family and our village tract ministry. We are a very little flock. If possible please send more tracts in Tamil, English and Hindi. Here I send some pictures to share the Gospel tracts in various remote villages. I say thank you and God bless you. Pastor Isaac Suvi"*

# CONGO IS HUNGRY FOR THE WORD

Missionary Uмба wa Bondi Kazadi's last report was longer than I had room to show in our last letter so I am including more of it in this one.

## IN CONGA VILLAGE

## SARAH'S TEEN CLASS

"Sarah (left) met Jesus through the reading of Hope Tract 'Which Way?' after our first journey in this village. Now she is involved to share Hope Tracts with children and teens, and teaching them Bible stories from her KJV Bible which she received from us in our second journey."

"The Lord Jesus Christ touched the heart of the witchcraft man Duda (above) through reading the 'Which Way?' tract. Many who attended the Bible devotion were afraid of him, but after some days he brought all his stuff to be burned. Now he is a great reader of the KJV Bible as he steps into faith's growth."

"We visited the small camp of the widows and orphans (right). We distributed the Hope Tracts and Bibles freely. Unfortunately, the chief of the village refused us to take more photos because many of these are half naked. It is so sad."
