A DEAR FRIEND GOES HOME

Marcella Douthit and her husband Carol began working with Hope Tract Ministry in 2008 while we were still at Blessed Hope Baptist Church. When we moved the ministry to Bethel, they came along and continued to help. Carol ran the folder while Marcella inspected and packed the tracts in boxes to be placed in inventory. We are sad to report that Marcella went home to be with the Lord on Wednesday, August 2 after battling cancer for the past year. She will be greatly missed by all of us, but especially by her husband who continues to help us here in the tract ministry. Please remember him in prayer!

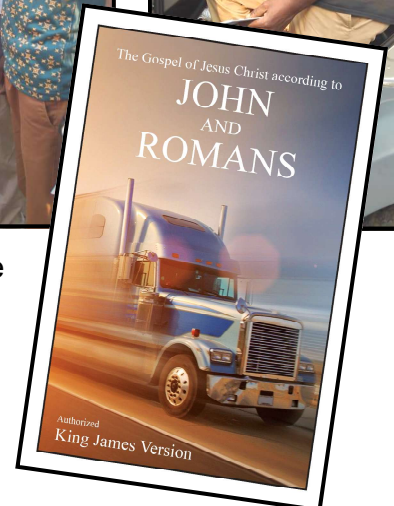

TRANSPORT FOR CHRIST USING JOHN & ROMANS

Francis Ananda Chipukunya is director and president of TFC Global Malawi based in Liwonde, Malawi, Central Africa. He and the Going Home Africa Ministries are building relationships with drivers, welcome center visitors, and trucking companies with the goal of distributing Bibles and other Christian resources to members of the trucking community.

Bro. Chipukunya sent these pictures he took from one of the truck stops there in Malawi. He is distributing our John & Romans booklets with the front designed for truckers. These booklets are printed and distributed by our booklet division Bread of Life and are also available in Spanish, Tagalog, French and Telugu.

SHARE THE GOSPEL MINISTRY REACHING STUDENTS

Carl and Danie Erickson have a ministry of traveling to colleges and universities throughout the United States and distributing gospel tracts directly to the students. Their ministry began in 2014 in Hot Springs, Arkansas, with the simple goal of sharing the gospel with locals and visitors to this tourist town. Over time, people in their church and other churches as well joined their ministry. Now over three hundred people have joined in person and over three hundred on their own in other states and countries. To date, they have traveled to thirty five states and more than three hundred universities and colleges, as well as numerous high schools sharing gospel tracts. In 2020, they sold their belongings and went on the road full-time and have been using our gospel tracts for several years now. Carl recently wrote:

"Please tell your supporters that God is on the move out here! We hand tracts out! Even in Arizona and New Mexico we found most people will take a tract when we simply say "something out of the Bible for you" in a friendly way and with that smile Jesus gave us when He saved us! On our recent trip this Spring to University of Houston; Sam Houston State; Texas A&M; University of Texas San Antonio; University of Texas El Paso; New Mexico State University; University of Arizona; and Arizona State University, we had the privilege of sharing over 70,000 gospel tracts. We also went to 20 or so High Schools.

We can use any prayer or financial support you or your friends may be able to help with as we totaled out our 99 Sportsmen pull-behind trailer in Dallas last Tuesday. We are homeless at the moment, but we know God will provide as He always does for His chil-

Over one million people have received a gospel tract from this ministry!

GREAT REPORT FROM PHILIPPINES

God continues to be working in the Philippines with churches being started and missionaries being sent out to other countries. We just recently received a request for tracts in English and Arabic for Rio Mahinay from the Philippines now serving in Bahrain.
