

Do you believe this with all your heart?

Romans 10:9 *"That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved."*

Will you confess Him as Lord?

You will either do it now while there is still time, or you will do it before His throne when it is too late—but you will do it! Look at how Philippians 2:10-11 describes it. *"That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father."*

Please prepare now for eternity!

First Responder

Thank you for your service!

You are so important!

Our community needs you and realizes how important you are. There is nothing greater to us than our safety and well being. You help insure that we are protected from danger, and, when one of us is harmed, you are the first one on the scene to help.

You are so courageous!

Not everyone has the courage to be a first responder. You face danger every day as you put your life on the line to help others. You never know what you will be called upon to do when you respond to an emergency, but you do it with great courage.

You save so many lives!

Many people are alive today because of what you do. You have special skills and training to perform procedures that often make the difference between life and death. You are able to remain calm and make rational judgments when others experience panic and fear.

You are dearly loved!

We have a great deal of love and respect for you, and, because of that we want to tell you something that you may not know. Many first responders have given their lives as a result of responding to a dangerous situation. How tragic it would be for this to happen to you when you are unprepared. God also loves you and wants you to be prepared.

You need to know the truth.

The destination of everyone after death is either eternal life in heaven or eternal death in hell. God has provided a way to give you eternal life and secure your home in heaven. Many people assume that you must wait until you stand before God to find out where you will spend eternity.

You can have assurance.

I'm sure you already know how to prepare for your death by having a will and a life insurance policy but is there a spiritual life insurance? You might be surprised to learn that there is eternal life assurance! It is possible to know right now where your soul and spirit will go after death. The Bible says in 1 John 5:13, *"These things have I written unto you that believe on the name of the Son of God; that ye may know that ye have eternal life, and that ye may believe on the name of the Son of God."*

You cannot be good enough.

Because we are all sinners, it is impossible to earn eternal life. It can only come as a gift from God's Son. Romans 6:23, *"For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord."* To receive it, you must believe on the name of Jesus Christ, the Son of God. John 20:31 *"But these are written, that ye might believe that Jesus is the Christ, the Son of God; and that believing ye might have life through his name."*
