HOLDING FORTH THE WORD IN SURFSIDE BEACH

John Flowers has been pastoring Harbor Baptist Temple in Surfside Beach, SC since 2004. He was saved after reaching a place of hopelessness at the age of 36. On February 3, 2000, the Lord got some gospel tracts into his hands, and the truth of God's Word brought him to faith in Jesus Christ. His wife Debby was saved two weeks later as a result of witnessing her husband's transformation into a new creature in Christ.

They use a lot of our tracts and especially like the very first tract I wrote back in 1989 entitled "Are you 100% sure that you will go to Heaven when you die?" I eventually shortened the title to "Are You 100% Sure?" They also like our tract "Where Are You Going?" They regularly set up a table at Hudson's Flea Market where they distribute tracts, and during the summer months, their members pass out tracts on the Boulevard.

LADY IN MARYLAND IS SAVED FROM TRACT

One of our most popular tracts is entitled "It Is Finished," and a lady named Glenda in Rockville, MD, received one. After reading it, she received Jesus Christ as her Lord and Savior and wrote to let us know. We mailed her some more tracts and a booklet entitled "The New Christian."

AMAZING RESULTS IN NEW YORK CITY

James Thomas Nichiniello is back in New York and sent a great report of how well our tracts and John and Romans booklets are being received. He wrote: "God bless you and thank you for sending the last order of tracts and books. I have attached a few pictures of souls we led to salvation with these materials. Can you please send my team more materials. We're looking for the Greatest Love Bible Tracts as well as John and Romans in English and Spanish mostly English...We're setting up tables in New York City and having amazing results building our team winning souls and increasing the church."

Enter into his gates with Thanksgiving

We are thankful...

...for three people who help us get the work done: Carol Douthit and Jonathan Kinard who volunteer their time each week to cut, fold and pack all our tracts, and Catherine York who helps me with this prayer letter by stuffing, sealing and stamping them. We are thankful for our sister ministry Bread of Life that prints the Gospel of John and Romans in various languages, our church Bethel Baptist Church of Filbert, and our Pastor Billy Lingerfelt who stands behind this ministry with total commitment to the printing and distribution of God's Word.

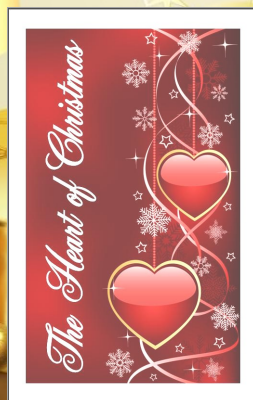

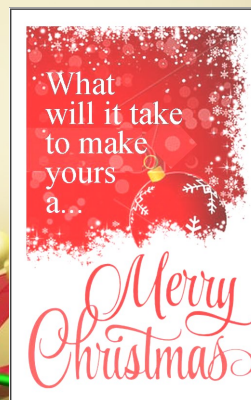

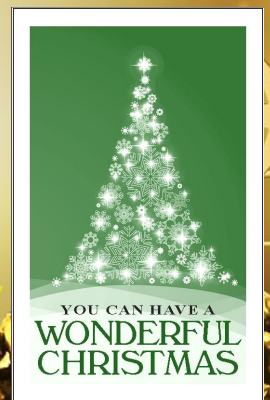

We are thankful...

...that God is still saving people through our tracts and for each of you who stand with us and support us through your prayers and sacrificial giving to see it continue. I am personally thankful for how God has made His presence known in my life and provided for me in miraculous ways. My wife Kim is a constant source of blessing and encouragement and helps to daily keep my focus on the Lord and His goodness. We love you all and wish you a

Blessed Thanksgiving
